NEW YORK, August 16, 2017 – *Inc.* magazine today ranked Busch Global NO. 1,606 on its 36th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small and mid-sized businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

"I take great pride in the people that I've surrounded myself with at Busch Global. Being included in the top half of the Inc 5000 is a testament to their skill and hard work" shared CEO and Founder JD Busch. "My vision has always been about leaving my mark. What better way to leave your mark than to have an organization that creates opportunities for our team members, our partners, our franchisees and their team members to grow and succeed. I couldn't be prouder of what Busch Global has laid as a framework for sustainable future growth."

The 2017 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 16) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year average growth of 481%. The Inc. 5000's aggregate revenue is \$206 billion, and the companies on the list collectively generated 619,500 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking, and vision were the keys to their success, and I believe them."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 10 through 12, 2017 at the JW Marriott Desert Springs Resort & Spa in Palm Desert, CA. Methodology

The 2017 Inc. 5000 is ranked according to percentage revenue growth when comparing 2013 to 2016. To qualify, companies must have been founded and generating revenue by March 31, 2013. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2016. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2013 is \$100,000; the minimum for 2016 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
